

Isaiah 8:12

Conspiracy Theory

Sunday, April 5 2020

Draw a picture of a bunch of powerful people in a secret meeting making evil plans. Then show how God is listening to them or watching them. (a big ear? a spyglass?)

What three things do you need for a conspiracy?

What three truths about evil explain why there will always be what look like conspiracies?

What three things should Christians do instead of being worried about conspiracies?

Does the coronavirus situation make you scared at all? Write down why and talk to a parent about it.
