

**Revelation 3:14-22**

**The Laodicean Dichotomy**

**Sunday, May 10 2020**

What is revealed here about the church in Laodicea?

Why might the church think they were rich and what was Jesus telling them?

Why might some believers be afraid to show their faith?

Describe the grace and love that Jesus shows the church at Laodicea. Why does Jesus offer to come into their homes and eat with them?

What might be two to three things you can do this week to grow in courage when it comes to living out your faith in front of others?
